

Class Search My.LoneStar.edu Class Search Tool

**First you will need to create an application using Apply Texas.*

Logging In

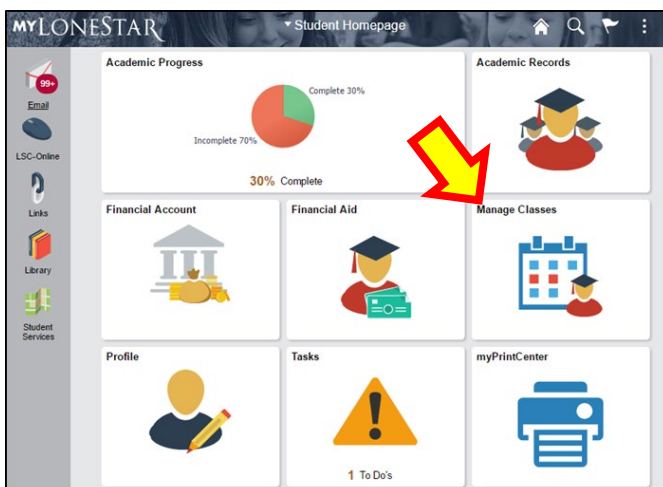

1. Use the LSC ID number provided in the Lone Star College acceptance letter (*sent by mail and email*) to sign in to **MyLoneStar**.
 - a. To gain access to your account, click on **“Reset Password”** and use your ID number as the username.
 - b. Next you will need to create your security questions and a password.
 - c. Using your ID number as the username and new password you created, sign in to MyLoneStar.

Accessing Class Search Tool

2. Click on **“Student”**

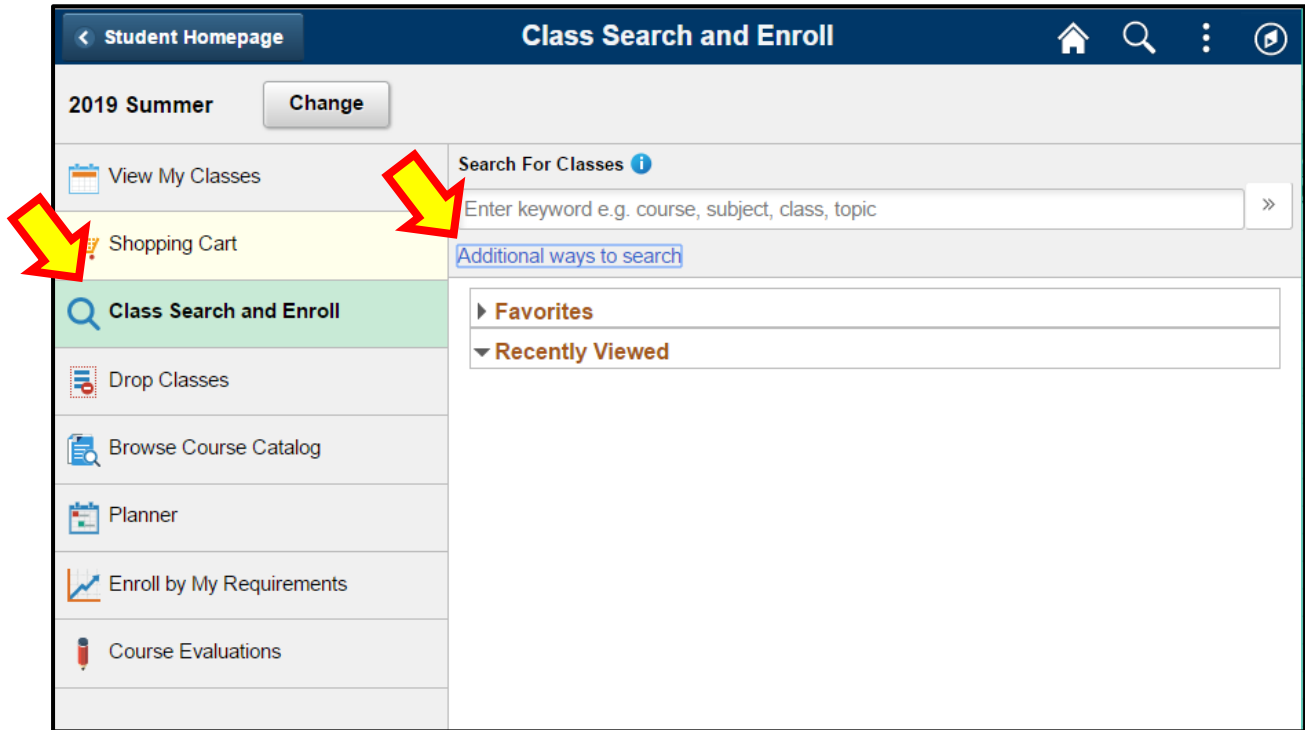

3. Click on **“Manage Classes”**

Using the Class Search Tool

4. Click on “**Class Search and Enroll**”; then click on “**Additional ways to search**”.

*You can also access the course catalog by clicking on “**Browse Course Catalog**”.

5. Fill out the sections titled “**Available Subjects**” and “**Catalog number**”.
 - a. Leaving the catalog number blank will allow you to search all available courses under the specified subject.

The screenshot shows a dialog box titled 'Additional ways to search'. It contains several search criteria sections: 'Available Subjects' with a dropdown menu showing 'MATH - Mathematics'; 'Catalog Number' with a dropdown menu showing 'contains value' and an input field containing '1314'; and 'Instructor Last Name' with a dropdown menu showing 'contains word' and an empty input field. At the bottom of the dialog are two buttons: 'Search' and 'Cancel'. Red arrows point to the 'Additional ways to search' title, the 'Available Subjects' dropdown, the 'Catalog Number' dropdown, and the empty 'Instructor Last Name' input field.

Search Results

- You can modify different aspects of your search to help you find courses at each Lone Star College campus.

The screenshot displays the 'Class Search Results' interface. On the left, there are several filter categories: 'Class Status' (Open Classes Only), 'Course Career' (Credit), 'Subject' (MATH / MATH - Mathematics), 'Campus' (LSC-CyFair, LSC-Kingwood, LSC-Montgomery, LSC-North Harris, LSC-Tomball, LSC-University Park), and 'Location' (LSC-Atascocita Center, LSC-Conroe Center, LSC-Creekside Center, LSC-CyFair Campus, LSC-Cypress Center, LSC-Fairbanks Center, LSC-Greenspoint Center, LSC-Kingwood Campus, LSC-Montgomery Campus, LSC-North Harris Campus). A red box highlights the 'Campus' and 'Location' sections. A yellow arrow points to a pause icon (II) between the 'Campus' and 'Location' sections. On the right, the 'View Search Results' section shows '6 Courses with keyword: MATH 1314'. A red box highlights the filter buttons: 'Open Classes Only (x)', 'Credit (x)', and 'Clear All'. Below this, six course listings for 'MATH 1314' are shown, each with its campus and the number of class options available.

Campus	Class Options Available
LSC-Tomball	13
LSC-University Park	20
LSC-CyFair	29
LSC-Montgomery	16
LSC-North Harris	14
LSC-Kingwood	10
